

INSTANT CHALLENGE

INSTANT CHALLENGES are short problems designed to test a team's creative, "thinking on their feet" skills. Destination ImagiNation® uses 3 types of *Instant Challenges*: **PERFORMANCE**-based Challenges, **TASK**-based Challenges, and Challenges which combine both elements. An example of a **PERFORMANCE** Challenge is shown below. For more Instant Challenges to practice with your DI team, just go to www.ShopDI.org and check out our full range of CD-ROMS and books.

IN THE MIRROR

Challenge: Present a **PERFORMANCE** in which you show the Appraisers what is inside a mirror.

Time: You will have up to 5 minutes to use your IMAGINATION to create your skit and props, as well as plan your **PERFORMANCE**, and up to 2 minutes to present your **PERFORMANCE** to the Appraisers.

The Scene: Many people have heard about a girl named Alice who goes through a looking glass, or mirror. That story is just one person's idea of what is really inside a mirror. Here's your chance to present your own ideas! You are to present a skit about what happens when your team happens to walk through a mirror into a different world. You should make some props to help tell your story.

Materials:

1 Piece of Poster Board 5 Colored Markers 2 Pairs of Scissors
2 Pieces of Foil

The scissors and markers may NOT be damaged and may NOT be part of the **PERFORMANCE**. In addition, a piece of paper and a pencil will be available for your team to use as you prepare your **PERFORMANCE**.

Scoring: You will receive up to

- A. 20 points for the creativity of the world inside the mirror.
- B. 30 points for the creativity of your props.
- C. 30 points for the creativity of your **PERFORMANCE**.
- D. 20 points for how well your team works together.
